Privacy Policy for LeetHub Sync

Effective Date: August 26th, 2024

1. Introduction

LeetHub Sync ("we," "our," or "us") is committed to respecting your privacy. This Privacy Policy explains how our Chrome extension collects, uses, and manages information about you. We do not personally store or have access to any user data.

2. Information We Collect

- **Authentication Data:** The extension interacts with the LeetCode API to manage user sessions. Authentication tokens or cookies used to facilitate these interactions are handled securely by the LeetCode API and are not stored or accessed by us.
- **Submission Data:** The extension retrieves and processes submission data from the LeetCode API. This data is used solely for the purpose of syncing submissions with your GitHub repository and is not stored or retained by us.

3. How We Use Your Information

- **To Sync Submissions:** We use the retrieved submission data to sync your LeetCode submissions with your GitHub repository.
- **For Session Management:** Cookies or authentication tokens are used to manage your session with the LeetCode API.

4. Data Storage and Access

- **No Personal Data Storage:** We do not store or have access to any personal data or authentication tokens. All interactions with user data occur directly through the LeetCode API and GitHub API.
- **Local Storage:** User settings and preferences are saved locally within the extension's storage and are not shared or transmitted to us.

5. Data Security

We use industry-standard security measures to ensure that the data transmitted between your browser and the LeetCode API, as well as GitHub, is protected. However, we do not have access to this data and cannot guarantee its absolute security.

6. Third-Party Services

- **LeetCode API:** The extension interacts with the LeetCode API to retrieve submission data and manage sessions. The handling of this data is governed by LeetCode's privacy policy.

- **GitHub API:** The extension interacts with the GitHub API to sync submissions. The handling of this data is governed by GitHub's privacy policy.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected in the policy provided with the extension and on our website. We encourage you to review this policy periodically.
